There has been some confusion; so a reminder that there is a rehearsal in the Cathedral nave on this date.

All rehearsals and concerts can be found on the GCS website – Members/Calendar.

German Pronunciation Christmas Oratorio

Annette has found an online pronunciation guide for Bach's Christmas Oratorio:

https://www.aberdeenbachchoir.com/December2017/SoundFilesPart5.shtml

It uses the same Bärenreiter edition; the sound files very conveniently cover parts I, IV, V and VI and there is also a translation.

Although it does not appear to be spoken by a native German speaker, it is hoped it will be helpful.
